Subject: Request for visa consideration to attend NANT DTX44

Dear Visa Officer,

I am writing in support of my application for a visa to travel to the United States to attend DTX44, the annual conference organized by the National Association of Nephrology Technicians/Technologists (NANT). The event is scheduled for March 16–19, 2027, at Planet Hollywood in Las Vegas, Nevada.

As a dialysis technician, attending DTX44 would support my ongoing professional development and help me strengthen skills relevant to my role in patient care. The conference offers educational opportunities related to patient safety, dialysis equipment and technology, troubleshooting, quality practices, teamwork, and career development.

I intend to use the knowledge gained at the conference to support safe and effective care in my workplace, improve my understanding of current practices and technologies, and share relevant takeaways with my colleagues. My planned attendance is for professional and educational purposes.

My anticipated travel dates are:
